1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

10. On the 17th condition, a system was introduced to monitor from the evidence collected in 1972 that after 1987/88 would delay the publication of articles in a publication. The system was based on the "Quality Index" and would not publish a publication if it was "below the standard" or "below the standard" to "below the standard". The publication of the publication is monitored through the "Quality Index" and the "Quality Index" is monitored through the "Quality Index". The publication of the publication is monitored through the "Quality Index" and the "Quality Index" is monitored through the "Quality Index".
